## PROFILE

- Seeking a stimulating position within a respected organization where I can leverage my technical expertise to drive organizational growth while furthering my knowledge of innovative and emerging trends in the field.

## EDUCATION

### BACHELOR OF COMPUTER APPLICATIONS

Kakatiya Government College

CGPA: 7.0/10.0

2021-2024

Hanumakonda, TS, India

### SENIOR SECONDARY EDUCATION – COMMERCE, ECONOMICS, CIVICS

TS Model College

CGPA: 6.0/10.0

2019-2021

Tekurthy, TS, India

### SECONDARY SCHOOL EDUCATION – STATE BOARD

TS Model School

CGPA: 8.8/10.0

2018-2019

Tekurthy, TS, India

## SKILLS

**FRONT-END** : HTML, CSS  
**PROGRAMMING LANGUAGES** : Python  
**FRAMEWORK** : DJANGO  
**DATABASE** : MYSQL

## PROJECTS

### HOSPITAL MANAGEMENT SYSTEM

IT Vedant

03/2025

- Developed a web-based hospital management system to manage patient records, doctor appointments, and hospital departments. Implemented authentication, CRUD operations, and a user-friendly interface using Django models and forms.
- Implemented secure user authentication and authorization for admin, doctors, and patients.
- Integrated search and filter functionalities to quickly access patient and appointment details.

### PETSTORE E-COMMERCE WEBSITE

IT Vedant

Technologies: Python, Django, MySQL, HTML, CSS

01/2025

- Developed a robust e-commerce platform called Petstore, designed for users to browse and purchase various dog breeds. The backend was built using Python and Django, while MySQL was used for efficient database management. The front-end was developed with HTML and CSS to create a responsive, user-friendly interface. Integrated Razor pay payment gateway to enable secure, seamless online transactions for users.
- Key features include user authentication, detailed breed listings, a shopping cart, and payment processing. This project showcases my proficiency in Python for backend development, payment gateway integration, and database management, as well as my ability to build end-to-end solutions.

### BANK APPLICATION

IT Vedant

Technologies: HTML, CSS, Bootstrap

10/2024

- Developed a simple bank application using HTML, CSS, and Bootstrap, featuring a clean interface for basic banking operations. Emphasized structured design and visual appeal to enhance user experience.

## CERTIFICATIONS

---

### CORE WEB DESIGN

10/2024

IT Vedant

- Certified in core web design, with essential skills in HTML, CSS, and Bootstrap. This certification equipped me to create responsive and visually engaging websites focused on user experience and accessibility.

### SQL

11/2024

IT Vedant

- Acquired comprehensive knowledge in SQL, focusing on MySQL. Proficient in extracting data from tables, performing various SQL operations, including filtering, sorting, and aggregating data. Gained practical experience in writing complex queries, joins for effective data management and analysis.

### IBM PYTHON FOR WEB DEVELOPMENT

02/2025

IT Vedant

- Successfully completed a comprehensive course on Python for Web Development, provided by IBM's Developer Skills Network. The certification covered key aspects of web development, including developing dynamic web applications using Python, implementing backend logic with frameworks such as Django, and working with databases like MySQL for efficient data management. It also included handling user authentication, session management, API integration, and applying best practices in web security and performance optimization. This certification demonstrates proficiency in building scalable, secure, and efficient web applications using Python.

## EXTRA CURRICULAR

---

### NATIONAL CADET CROPS(NCC)

03/2023

Kakatiya Government College

- Participated NCC camp and qualified for B certificate

### EXEMPLARY ENGAGEMENT

Kakatiya Government College

- Actively volunteered on teacher's day and social service schemes.

## LANGUAGES

---

TELUGU : Native or Bilingual proficiency

ENGLISH : Professional working proficiency

## PERSONAL INTRESTS

---

- Passionate about drawing and often engage in creative sketching during my free time
- Actively participate in various sports, showcasing teamwork and a competitive spirit
